Subject: District Office Closed to Patrons and Visitors

Members of the Community,

As I am sure you are aware, the Coronavirus (COVID-19) has been confirmed here in the U.S., as well as San Diego County. While information is fluid and changes by the hour, the District is taking actions to help protect the health and safety of its staff and customers.

First, Governor Newsom has issued Executive Order N-25-20 that, among other things, prohibits the holding of public gatherings. Furthermore, the CDC has issued many recommendations to assist in reducing the spread of the virus. These recommendations include, but are not limited to the practice of social distancing and self-quarantine if you have been traveling or come into contact with an infected person.

Therefore, the District is closing the office to patrons and visitors. If you need assistance please contact the office via telephone at (760) 742-1909 or via email at pvcsdassistant@gmail.com.

To pay your bill please utilize one of the following options:

- *Mail check to 33129 Cole Grade Rd. Pauma Valley, CA 92061
- *Drop payment in the slot at our front door
- *Cash payments will be applied in full to your account. No change will be given.

The PVCSD Board of Directors and Staff would like to thank you for assisting us in adhering to both the State and CDC directives and recommendations in the global effort to reduce the spread of the virus.

Please feel free to contact me should you have any questions or concerns.
